Experience

Mr. Spiess has been associated with PKF for 30 years, either as a member of its staff or partner, and was named a Director on January 1, 1992 when the firm restructured as a professional corporation.

His area of expertise is accounting and auditing in the real estate industry, including cooperative housing corporations, as well as clients in the financial investment and not-for-profit sectors.

Mr. Spiess has also conducted internal control studies and has been involved in various engagements requiring special reporting on the application of agreed-upon procedures to specified elements, accounts or items of a financial statement or operating cycle.

He has served as a panelist and in various cooperative housing forums. He currently serves as the president of the Huletts Landing Property Owners' Association.

He serves the firm as its Treasurer and is responsible for overseeing the financial matters of the corporation in addition to maintaining its relationship with its bank.
